Forgotten
telescope

Background :

- Over the last two months 14 incident reports were raised regarding loose & dropped objects.

FORTUNATELY NO ONE GOT HURT!

BUT JUST IMAGINE WHAT COULD HAVE HAPPENED ?

Learning points :

- Be alert and check/ inspect on a regular basis
- Remove loose objects that you may find and report items were you suspect they can come loose.
- Take some extra time to inspect cargo prior to handling

REMEMBER ; SAFETY CONCERNS US ALL !
